EDUCATION

Kalinga Institute of Industrial Technology B.Tech in Computer Science & Engineering CGPA: 7.88	2022 – 2026
Techno India Group Public School, Kolkata CBSE Class XII Percentage: 72%	2022
Techno India Group Public School, Kolkata CBSE Class X Percentage: 84%	2020

TECHNICAL SKILLS

Languages: Python, Java, SQL
Data Analysis: Excel, Power BI, Data Visualization
Database: MySQL, SQL
Tools & Technologies: Git, Flask
Cloud Platforms: AWS, Microsoft Azure (Azure VM, Azure AutoML)

INTERNSHIPS

AI & ML Full Stack Developer Intern Juana Technologies Pvt. Ltd.	May 2024 – Jun 2024
- Developed Power BI dashboards and SQL-based reports to analyze engagement metrics, enabling data-driven decision-making and improving operational efficiency by 30%. - Performed data extraction, cleaning, and visualization to generate actionable business insights for internal teams. - Built reporting workflows using Excel, SQL, and Power BI, improving data accessibility and reducing manual analysis effort. - Collaborated with cross-functional teams to interpret performance data and support process optimization.	

PROJECTS

MindEase – Sentiment Analysis Chatbot - Developed a sentiment analysis system using NLP techniques to classify user emotions and generate analytical insights. - Processed and analyzed text datasets using Python, NLTK, SQL, and Flask. - Improved prediction accuracy by 20% through data preprocessing and model optimization. - Created structured datasets for efficient analysis and performance tracking.
Movie Recommendation System using Emotion Detection - Built an emotion-based recommendation system using machine learning and real-time facial emotion detection. - Processed user interaction data to improve recommendation relevance and model performance. - Applied data preprocessing, feature extraction, and analytical model evaluation techniques.

CERTIFICATIONS

- AWS Cloud Fundamentals – AWS Academy
- AI-ML Virtual Internship – EduSkills
- Microsoft AI & ML Engineering – Coursera

SOFT SKILLS

Data Analysis
Problem Solving
Analytical Thinking
Attention to Detail
Communication
Collaboration

LANGUAGES

English, Hindi, Bengali
